Tracy

Smellery

For such a long time I knew Tracy Turner as a friend of Leora's. It was always "Tracy and Leora" but this year was great Trace. I know you so much better and my lack of knowledge of your personality before sort of made me not even care about being your friend which I will regret forever. You have the absolute best personality Tracy and I mean that. All of our activities together (sports, gov. etc.) have made our friendship so good. Thanks for all your help in basketball. I will always look up to you because of your ability and your leadership - you're got such a way with people. Softball was a blast - short & third - an unmistakable pair. I wish we could have gotten to do more stuff on weekends and stuff but - I guess I really didn't mix with FNG. hee hee hee. It seems that we are still such close friends though. I have written more notes to you than anyone in the whole world - you are a very special

LOVE ya

Hi there Tracy Turner,
Oh, no! Now what am I
going to do without my Tracy
Turner to yell at across
campus next year. Who's
going to help me T.P.
next year. And what
about my Peanut
Butter & Chocolate
ice cream, help!
I might just
get too skinny. I
don't think
I'll be able
to play
softball
there (school)
'cause
there will
be no
T.T. to
screw around
with. (boo!)

Remember
all our rallies
and our very
rowdy football
games. To a
great little vike
and a fantastic
friend,
Love ya
always,
Julie

Tracy,
You're a real good
guy. You've crushed
me for the last
year. You've been
a great person. I don't
know what happened to
you. But you're still the
best! Good luck in the
future!
Love
ya

my dearest Tracy -
 I must say that this year has been super fantastic because of mellow, cool, & groovy
 people, like you! The games were a blast although we should have indulged in
 more potter, especially during the 1-o-o-n-g loony streak
 of football. I'll never forget your elaneros
 & super nice personality - Thanks for being
 a friend. Have a beautiful summer &
 Our spirit is sky high
 wonderful forever... Love
 Valerie

I know I'll see you a lot during our swinger, senior parties and of course over the summer. Truth or dare? We have a lot to catch up on. Take care and let's stay in touch.
Love ya much, (Mouss*)

We've got it all, on our side

Tracy,

I can't begin to say thanks.
In softball when ever I thought
I had done something shitty
you were always there and helped.
I'm glad you got the Captains
award because you deserved it.
You have a way of making
bad things seem a job. You
never let anything get in your
way. But when they do you
don't show it. I'm not going
to say by, but until later.
Lots of luck and happiness

Love,

J.V. - This was a rebuilding year for the Junior-Varsity Team. We started the season with a lot of enthusiasm for the game and little technical skill. The girls worked hard all season, maintaining their enthusiasm and developing into a strongly competitive team. By the end of the season Paly's J.V. team could play well against even the best teams in the league and lost several heart-breakers, by as little as 2 and 3 points. VARSITY - Paly's varsity team was one of the strongest teams ever. Unfortunately they found themselves in what is probably the strongest volleyball league in Northern California. Two of Paly's stars suffered serious injuries in the early part of the season; still Paly remained highly competitive and lost many matches by only 2 points, forcing the matches to go to the full 3 games.

This season Palo Alto's Varsity Team won the SCVAL Championship, finally taking the title away from Gunn.

## VARIETY SHOW

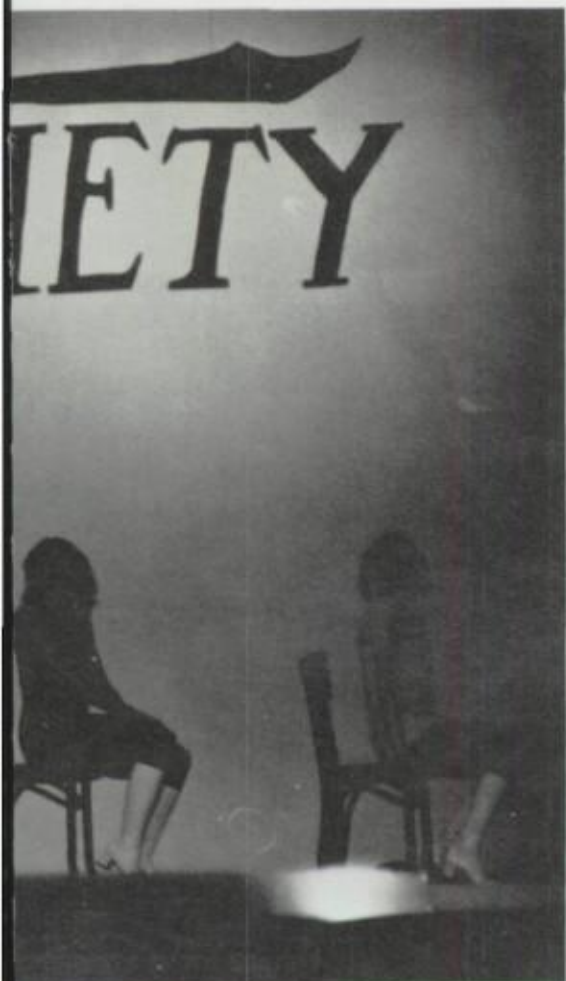

## "VARIETY IS THE SPICE OF LIFE"

December 9-10th were the nights of all nights for the semi-talented and the multi-talented students at Palo Alto High. This was exciting for many teachers alike. Mr. Britt dazzled the audience in his "hot pants", while Mr. Hepworth surprised many people with his singing rendition of "Tumbling Tumbleweed".

All in all, these were interesting nights full of fun and fascination. Our hats go off to the vast amounts of people who devoted a lot of time and effort in the making of such a successful show.

Dear Tracy, God what a joke!! We have been through so much together, I really don't know what to say. Being ♡ ♡ with you has made life a little bit more bearable. We've had our ups and downs (I just want to say I AM SORRY about V.P.'s I was!), but through it all we've had fun. All the times at Stanford and Paly Parties, all the times we just went out and "boogied"! All these times I will remember as the best times at Paly. Tracy so much has happened since we first (I don't even remember when we met!) met. ~~that~~ you have helped me grow up → **GIRLS' BASKETBALL** was great!! All three years and next year at Foothill. That will be great Softball will be great! All the times past and all the times ahead

are special to me. You have been the best part of all of it. I love ya' babe stay cool and lez be friends (I am sorry I wrote that it ruined the moment)

Love ya! Shelly

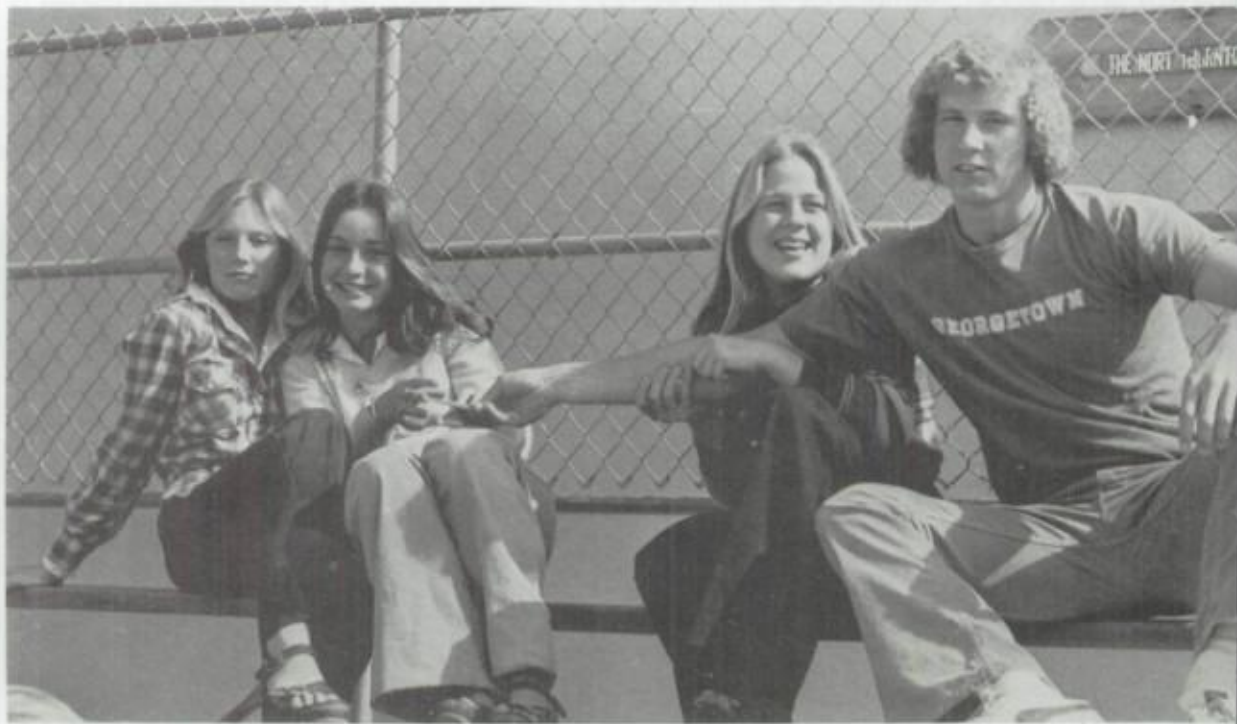

I don't know I to thank you for everything you did to me. You were someone who always cared, who always listened and yet was so weird. Remember the Bible, Anie Coonie, Anie, Shelly, ice coolers, Santa Cruz, our stange times, Basketball, and so much more. I've got to admit that the most fun I had in my life was shared with you and your bench. Sounds mushy, huh. I'm sorry we broke apart, but I don't know what happened. I had no more to say and always felt like I was unwanted not by you but your friends. I'll never forget you and I hope you won't me! Every time we talk to each other now there's a wall but I will forget it. Damn it's getting moodier!! I know that I will see you again don't ask me where from Hawaii to Africa. We were the wierdest there could be and when he was in the bus could not be shut up. We belong made in a mental place but I guess it can pass. I hope you have a great time in New Sursey and you better come to watch Ball Games. I don't think I will be able to survive with Anie, i Niomi. Help. At least there's Pam & Angela. When you leave you are going to be taking away the biggest part of Paly's personality. I miss it and especially everyone and I'm sorry I'm the best friend you'll ever have. I'll miss you too. Any you but Good bye from someone who loves you very much. (You & I turn to stone's you & I)

Keep smiling that sunny
 smile. Don't be too crazy
 in college and keep in touch.

Sherrie Gong Wins Northern California

This past year, a Paly Junior had the high honor of representing Northern California in the Miss Teenage America Pageant. The National Finals were held in Dallas Texas from November 17-26. The recipient of the title was our own Sherrie Gong, who was chosen from over 2500 girls. She was judged on the basis of poise and appearance, scholastic achievement and leadership; and talent. The ten day pageant was filled with lots of hard work and fun for Sherrie, but she enjoyed mostly the opportunity of meeting outstanding teenagers from all over America. Winning the title of Miss Teenage America Friendship at the finals, she has been making numerous appearances including riding in parades, meeting with state and local government officials, performing and speaking at luncheons, conventions and organizations. She is currently serving as Teen official charity for the Miss Teenage America Titleholders. During her reign, Sherrie will appear on television and radio promoting Cystic Fibrosis, the Miss Teenage America Program, and her sponsors, the Dr. Pepper Bottling Companies of Sunnyvale, Daly City, and West Sacramento.

Be courteous, kind and forgiving
Be gentle and peaceful each day
Be warm and human and grateful
And have a good thing to say

Be thoughtful and trustful and childlike
Be witty and happy and wise
Be honest and love all your neighbors
Be obsequious, purple and clairvoyant

Be pompous, obese and eat cactus
Be dull and boring and omnipresent
Criticize things you don't know about
Be oblong and have your knees removed

Be tasteless, rude and offensive
Live in a swamp and be three-dimensional
Put a live chicken in your underwear
Go into a closet and suck eggs

I came to Paly High be-
cause two very special
people cared about my ed-

were once Palyites (classes
of '55 & '58) so they let us
in on the fun and spirit
at Paly by moving to Palo
Alto so myself and my two
brothers could attend.
I've had a great time
here and I wouldn't have
wanted to spend it any-

When a person allows Him

Music is Love is Life

Never underestimate life - what a gift!
 Always look for the beautiful, exciting,
 happy, crazy, natural, amazing, silly,
 creative, lovable and squeezable things
 and you'll never stop loving it...

Music is a pretty neat thing. Like
 Stevie says, "Music is a world within
 itself". Or Kurt Vonnegut who says,
 "our aim is to make the world more
 beautiful than it was when we
 came into it... How?... Love yourself,
 and make your instrument sing
 about it!". There is so much to
 do and so much to see. I'm excited!

I love you,
 Heidi

A black and white portrait of a young man with short, dark, wavy hair. He is smiling broadly, showing his teeth. He is wearing a light-colored plaid shirt with a dark grid pattern. The background is dark and out of focus, with some vertical lines visible, possibly from a window or a screen. The lighting is soft, coming from the front, highlighting his face and shirt.

Tracy, I have
had a good year. I
really enjoyed you when
we had singles
living. Oh boy what
a blast we had in
there. I can see that the
school will be missing
you and Larra. You and
her have all ways so much
gossip and it is all so
fun to hear you and to hear
for people say your name.
